No. 183.

The Chief Commissioner's Proceedings No. 1214-1223 of 3rd Instant, calling for a report as to what Securities in money or otherwise are at present taken from the Treasurers and Shroffs in the District and Taluk Treasuries and what modifications are necessary for the safety of public money, calling for a list of all other servants from whom Securities are now taken.

With reference to the above, has the honor to submit a statement showing the amounts and nature of the Securities furnished by the Treasurer and Shroffs of the District and Taluk Treasuries. 2. It will be seen from the list that the security of the Gannakempoly Taluk Shroff amounts to Rupees 1000, while that of the others amounts to Rupees 500 in each case. But this appears

7/7/79

is excessive, and it is therefore proposed to reduce it to Rs 250 on the understanding that it should be furnished in Government Savings Bank Deposits if not in Government Pro Bks.

3. Securities are not taken from any other servants, but it would appear to be advisable to take 500 Rupees security from each Taluk Sheristadar hereafter as he is in charge of the Taluk Treasury.

Sir, With reference to the order of the Chief Commr. No. 1214-1223 dated 3rd July 1879, No. 248, I have the honor to enclose a statement of the security given by the Treasurers and Sheriffs in the District and Taluk Treasuries, and to state that it would be desirable if such officers deposited either cash or Government Promissory notes as security for their appointments; but that it is difficult to get persons who are in a position to lodge such security in this District particularly in the Malnad parts.

2. The only other servants who have given security are the Razis or such as do the work of Razis in the various Courts of the Province. Under Rules framed

to avert the taking of security

safety of the Public money in the

from the Head Accountant, the Treasury Accountants who conduct the daily transactions of the District Treasury and the Magdy Gurnashlas of the Taluk Treasuries. I quite concur with Mr. Gundakrishna Naik in his opinion that securities should also be taken from them for the reasons stated in his letter No 137 of the 15th Instant (copy enclosed). It is in my humble opinion, not necessary to maximise the amount of security to be taken from them higher than 3 or 4 hundred Rupees.

1. Mages of the Dy Comm Court.

securities at present obtained from
the Treasury officials in this dt.

No security is for the present
taken from the Head Accountant
the Treasury Accountants who
conduct the daily transactions of
the District Treasury and the Nagari
Gumasthas of the Taluk Treasuries.
But I am of opinion that as carele-
ssness or fraud on their part will
under certain circumstances cause
loss to the Government it will not
do to neglect to secure the means
of obtaining indemnity in the event
of such contingencies arising. It
may not however be necessary to
fix the maximum security at
any amount higher than 3 or 4

A. The lands offered as securities in these cases cannot be regarded as good and tangible security as their value generally is subject to change and fluctuation. It would be a good thing to have securities in the shape of Government promissory notes or Savings Bank deposits whenever practicable; but this very desirable state of things is rendered difficult of attainment by the paucity of persons possessing special qualifications, who would take up the appointments of Talook Shroffs & the difficulty would be enhanced by insisting on cash security in every case. No effort will be spared however to obtain this form of security whenever it may be possible to have it. The post of Shroff in the Nedigoor Talook is at present temporarily filled up. The permanent appointment of some person to the post who may furnish security is still the subject of a correspondence between the Dy Commissioner and the Audit Dept.

Shroffs of Madduragi and Kadaba,
all other Shroffs in this District
have either given or offered to give
as securities landed property often
difficult of correct valuation. As
I do not consider it safe to accept
such securities I have issued orders
calling upon the parties concerned

to furnish the required securities in Cash or Government paper or Savings Bank Pass Book. In the case of those who do not furnish security of the required description it may be necessary to replace them by others who furnish such security.

2. With regard to Ministerial Servants of Civil Courts I beg to draw attention to the Judicial Commissioners Rule of Practice No 15 dated 29th November 1878 which allows them to furnish personal security for the requisite amount. The Batta Amirs have all deposited Savings Bank Pass books for Rupees 100 each and the others have given or offer to give personal security.

Sir,
With reference to the Chief
Commissioner's Proceedings No.
1214-1223
1248 dated 3rd July last, I
have the honor to submit a
statement shewing the officials
who have furnished security
for the proper discharge of their
duties and the nature of the res-
ponsibilities involved. The amount
of security required of them ap-
pear to have been fixed after
full consideration and no change
seems called for at present.
The Head Accountant
of the District Office is in
charge of the contingent money.
He also draws the amounts
of pay abstracts and other bills

and makes payments. I therefore consider that he should be called on to furnish security for Rupees 500 - - - -

3. As regards the nature of the security; the Deputy Accountant General has in the case of Court fees Stamp vendors on credit, ^{*} decided that it should be in money, Government bonds, or Savings Bank Deposits duly endorsed to the Deputy Commissioner. The same rule may with advantage be made applicable to the other officials: but an exception may be allowed in regard to men of known character and respectability, although deficient of Cash. Personal securities should in these instances be furnished to the satisfaction of the Deputy Commissioner or other official Superior. Orders have been issued to the Amildars to ascertain and report every half year whether the personal securities and the landed property offered are worth the amounts specified.

Dated Mysore 23rd December 19

To,

The Revenue Secretary
to the Chief Commissioners
of Mysore

Sir,

With reference to your No ⁴⁴⁵ 4783-5
dated 18th Instant, I have the honor to
submit a List A of Treasury Officials
furnishing security in this District, and
the nature of the security specified
opposite each individual and that
proposed for the future: it will be
observed that with the exception of
the District Official Vendor, the security
is invariably House or Landed property
and the Treasury Officers consider it in
all cases adequate and suitable. -
2nd I have already in No 1309 of the 15th
letter reported on the security of the
District Treasurer, being excessive in
proportion

proportion to the amount of his salary, and that 5000 Rs. Cash should suffice to cover the responsibility it is necessary to impose on him for the duties performed.

3. I consider that in all cases, Cash Security should be taken, and in consideration thereof, the amounts now furnished may be considerably reduced for all, it would be impossible to get the appointments in the Treasuries and Taluks taken up if the present amounts were converted into Cash Security.

4. In the District Treasury, it suffices for the Treasurer and Shroffs to give Security, but in Taluks, I consider Sheristadars, Nagady Goomashas and Shroffs should all furnish Security ^{concurrent in} as recommended in my No 202 of 14th June 1879 ^{to the Commr Ashm. Dist.} this is an additional reason why the pay of the Nagady Goomasha should uniformly be raised to 20 Rs.

5. The Security of the District official vendor requires ^{no} modification: while that

43

that of all other Steam Vessels viz
he invariably each Vessel requiring
no security

6. The Security of the Local Boards

Officers & would further should
be disposed of through the Districts

7. In consequence of it is of other

than Treasury Officers at present
furnishing Security is also entered

Sir,

I have the honor to acknowledge the receipt of the proceedings of the Chief Commissioner No. $\frac{1214 \cdot 1223}{A. 248}$ of the 31st July last, and, as therein requested, to report that security in lands to the extent of Rs: 5000 in the case of the District Treasurer, Rs: 1000 in the case of the District Head Shroff, and Rs: 500 in the case of the 2nd Shroff and the Saluk Shroffs has been taken--

2-- It is desirable that at least one-half of the security should be in Government promissory notes, but I would not recommend the demand of more, since the holders will be such low as that these poorly paid appointments will not be worth acceptance--

3-- Security bonds are also taken to the extent of Rs: 50 from each of the Court Fee Stamp Vendors in the Saluk, and Rs: 500 from the Vendors in the Munsiff's Court at Marsipur and the District Court.

I have the honor to be,

ORDER THEREON.—The Chief Commissioner considers it necessary that a uniform system should be followed in regard to taking securities from officers who are responsible for public money. Establishments responsible for the custody of Public
money, I have the honor to state that no form of bond
to be executed by such Officials has been prescribed for use
in Mysore. The forms used in the Madras Presidency
do not appear applicable to Mysore as they purport to
be obligations in favor of the Right Honorable the
Secretary of State for India. It appears to me
that in the case of Mysore they should be in favor
of the Government of Mysore in order that Securities
which may be executed up to the time of the transfer
of the Country to His Highness the Maharajah
may be at the disposal of the Native Administration.

One form would probably suffice to meet
all the cases of Security the money, promissory
notes, Savings Bank deposits & other property
pledged, being shown in a schedule attached
and forming part of the bond. I would
suggest however that the form be drawn up
by a legal practitioner in communication with
this Office and if this course be approved, I solicit the
Commissioner's permission to employ Mr. Sydney Smith
the Advocate, for the purpose.

I have the honor to be
Your most obedient servant -
